Sir:

Referring to the Interview Summary mailed September 14, 2007, Applicants' attorney confirms the telephone discussion with the Examiner on September 7, 2007, during which the Examiner indicated that if all of the claims were replaced by method of use claims in responding to the Office Action of July 31, 2007, the Examiner would require restriction, and indicate that the original claims are elected by original presentation. The Examiner further indicated that she would issue a 30 day non-responsive letter.

Incidentally, although not discussed during the telephone discussion, Applicants note that the Office Action Summary page of the Office Action mailed July 31, 2007 indicates that "some" of the certified copies of the priority documents have been received. However, there is only one priority document, i.e. JP 2002-350804 filed December 3, 2002, as acknowledged in the Declaration and Power of Attorney form of record.

Respectfully submitted,

Michiaki NAGASAWA et al.
